

Copenhagen Infrastructure Partners (CIP)

We are looking for a Student Assistant

CIP is the management company for Copenhagen Infrastructure I, CI Artemis, Copenhagen Infrastructure II and Copenhagen Infrastructure III, respectively DKK 7.2bn, DKK 2.9bn, DKK 14.7bn and DKK 8.8bn infrastructure funds committed by 19 financial investors. CIP focuses on infrastructure investments primarily within the energy space, e.g., wind power, biomass and transmission assets, in Northern and Western Europe and North America.

CIP was founded in 2012, currently has +40 employees, and is owned and managed by five senior partners, who have worked closely together throughout the last 15 years with transactions and investments in the energy sector. We have offices in central Copenhagen and our team is international, fast moving and entrepreneurial. For further information, please see www.cip.dk.

The Position:

As student assistant you will have an exciting and challenging day, where your analytical skills will be applied in practice, further developed and challenged. You will become part of a student team of 7 and a highly competent and experienced team, where you will have the opportunity to learn while contributing to successful fund management by CIP administrating more than 40 companies – Reporting, Accounting, Controlling and Tax.

Together with your colleagues you will be helping to carry out finance related activities for the company's partners and other senior employees. Key tasks includes:

- Accounting activities
- Controlling activities
- Various analysis to support decision making
- Reporting/Presentations preparation
- Different administrative and ad hoc tasks

The Candidate:

We are looking for candidates preferably on the 1st year of a relevant Master's Degree (Cand.merc. Accounting, Strategy & Control or Cand.merc.aud). However, candidates on the last year of a relevant Bachelor's Degree (Ha. Almen or similar) could also be considered. Key requirements include:

- Proven academic track record (top 10%)
- Independent, ambitious and self-driven with excellent communication and interpersonal skills
- Thriving on taking responsibility and achieving results – independently and as part of a team
- Analytical and detail orientated
- The candidate is expected to be fluent in English and is an experienced Microsoft Office user. Candidates with good excel skills will be preferred.

CIP Offers:

An interesting job in a young and growing company with a changing working environment, giving the candidate the opportunity to influence his/her daily routine and schedule. The CIP team is multicultural and the corporate language is English. The expected average hours a week is 15-20 hours.

Contact:

Resume and application should be sent to Selina Krogh Tuxen (stu@cip.dk) no later than 29 May 2017. You can also send an e-mail to Selina Krogh Tuxen on the above e-mail address or call her (+45 61 51 11 50), if you have further questions about the position.
